

MAGNA CARTA FIELD ARCHERS

Spring Open Shoot

March 24th 2019

A brilliant sunny spring day welcomed 80+ archers to our re-fashioned 38 shot 3D course. Bernie, Terry and team had turned the course round and created some significantly tricky shots for our new season including the optional Robo-Duck – the clang of metal piles on sheet steel could clearly be heard at the refreshment area! The turn-out made all the work worthwhile and the catering team led by Paul and Claire kept everyone fed and watered throughout the day.

Big thanks to Steve and his Magic Monster who sped round the course afterwards to collect in the 3Ds.

We look forward to seeing everyone again in July and / or November for our next shoots details of which can be found here on the website as well as via the NFAS.
